

## **RELEASE OF LIABILITY**

I, the undersigned, understand that my presence on and around railroad property and facilities entails special risks and dangers. As an essential inducement to and consideration for Consolidated Rail Corporation ("Conrail") granting its permission for me to enter its property, specifically, Oak Island – Doremus Auto Terminal Yard, bounded between Doremus Ave, Firmench Way and Newark Bay in New Jersey for the purpose of a field site visit in conjunction with the Newark Bay Wetlands rehabilitation Project. I hereby assume and release, and shall indemnify, defend, protect and save harmless from and against all claims, liabilities, demands, actions at law and equity, judgments, settlements, losses, damages and expenses of every character whatsoever for: (1) Injury to or death of any person whomsoever, including myself, and (2) loss of or damage to any real or personal property whatsoever and by whomsoever owned, including myself and Conrail, and the loss or interference with any use or service thereof, which are caused by or arise from my presence on or around Conrail's property and facilities, regardless of any fault, failure or negligence on the part of any other person, including Conrail; provided, however, the foregoing release and indemnification shall not extend to any injury, death, loss, cost or damage arising solely from the willful misconduct or gross negligence of Conrail.
